Ajinkya Shinde

Skills

- Machine Learning
- Python Programming
- Scikit-learn
- Data Preprocessing
- Data Analysis
- Computer Vision
- Java Programming
- SQL & Databases
- Git & GitHub

Education And Training

Expected in 08/2026
Diploma In Computer Technology:
Computer Technology
Amrutvahini Polytechnic, Sangamner
Sangamner, Maharashtra

- Academic Achievements and Honors: Achieved 91.67% in Diploma in Computer Technology, demonstrating strong academic performance.
- Capstone Projects: Smart Traffic Management System using AI and Computer Vision for traffic analysis and dynamic signal control.

Certifications & Licenses

- Generative AI — Tutedude

Professional Summary

Computer Technology diploma student with a strong foundation in Machine Learning, Python, and Java. Hands-on experience in AI/ML projects, data preprocessing, and computer vision, with a strong interest in building intelligent solutions for real-world problems.

Experience

Innovatus - Java Developer Intern
Pune, Maharashtra
06/2025 - 08/2025

- Developed and tested Java applications using OOP concepts.
- Debugged issues and improved application functionality.
- Collaborated on Java-based software development tasks.

Projects

- AI Code Authenticator (CodeAlyze)
  Python • Flask • AI-based Code Analysis
- Emotion Detection System
  Python • Machine Learning • Computer Vision

Awards & Honors

- Smart India Hackathon 2025 – NidhiSetu (SIH25059)
  Role: Machine Learning Team Member
